Diverse and serving many needs

Nonprofits come in many sizes and all need your help

When asked who you trust most to affect the quality of life in your community, 84% said nonprofit organizations

The Nonprofit Center of Northeast Florida is connecting, strengthening, and advocating for local nonprofits to create a more vibrant Northeast Florida.

A nonprofit organization is one that is formed for the purpose of benefiting society rather than for making and distributing profits. Nonprofits may earn a profit, but they may not distribute that profit, or equity, to any individual. There are no shareholders, no equity investors, no owners.
