**Wanda was living in subsidized housing and longed for a place she and her son could call their own. She discovered the help she needed in United Way’s RealSense Prosperity Campaign and it’s impact partner, Family Foundations. Through financial education classes and local matched savings programs she was able to achieve her goal of re-establishing her credit after a bankruptcy. Wanda also learned to do a much better job managing her finances. Since going through the Real \$ense program, she says, “If I don’t need it, I don’t get it.” Wanda and her son have just celebrated their first year of homeownership.**

**Sandra wanted to go to school as a child, but she “didn’t have shoes or money for lunch.” With the goal of becoming a registered nurse, Sandra went to FSCJ to take a placement test. She was referred to Learn to Read for remedial reading assistance. Within five months, Sandra was able to return to the college and pass the reading section of the GED exam. Sandra is now employed as a secretary at Memorial Hospital and continues to study at the college in pursuit of her nursing degree.**
